**In A Few Taps!**

**Colonia, NJ – December 15, 2015** - Step It Up Events® is excited to announce the launch of their latest outside the box photo booth experience; *THINK Photo Booth Fun*, a full-featured, fully customizable, fully free picture sharing app, now available for download in iTunes for the iPhone, iPad and iTouch devices.

"We are the only world-wide photo booth company that offers a completely free photo sharing app designed for pure fun and enjoyment." - Step It Up Events® owner and creator, Howard Schram

Instagram has met its match because THINK Photo Booth Fun is not the average photo sharing application. Based off of Step it up Events® Custom Photo Solution Station®, THINK Photo Booth Fun is a unique custom photo booth app that allows users to turn any casual get together into an authentic Step It Up Events® experience. With more than 1000 effects and tools in its arsenal, the creative possibilities with THINK Photo Booth Fun are endless. Users have the option to personalize pictures and selfies taken within the app, or any

photo in an existing gallery. The app features photo optimization tools to adjust brightness, contrast, saturation and exposure in a photo. It contains countless specialty filters, virtual props, stickers, emojis, frames, borders, drawing tools, editing tools, texting tools, and so much more. Additionally, users can share their creations on multiple social media platforms including Facebook, Instagram, Twitter, WhatsApp and e-mail.

The best feature about THINK Photo Booth Fun is that it is 100% free, and by free, we mean free. No in-app purchases, no advertisements, no pro-version upgrades, so it will always be compatible with your Apple device.
